Dear Friends:

The Second Regular Session of the 116th Legislature is well under way and the various committees of the Legislature are considering legislation concerning a variety of issues. Among these issues are affordable health care, property tax relief, education and jobs for Maine people, to name a few.

As we consider these and other matters, your advice and opinions are appreciated. I welcome any comments or questions you may have on these or other issues of concern to you and your community. My job here in Augusta is made easier when I receive input from the people I represent. I believe that together we can work to build a better future for all of Maine's citizens.

As always, my door is open to municipal officials and the citizens of my district. It is a privilege for me to be serving you in the Maine Senate and I urge you to contact me if you need assistance or information. If I can be of assistance in any way, please write me at the above locations. You may also call me toll free during the session (1-800-423-6900), or at home (368-5827).

Best wishes for a healthy and prosperous 1994!

Sincerely,

A handwritten signature in cursive script that reads "Chuck".

Alton "Chuck" Cianchette
State Senator

REPORT OF SELECTMEN AND TOWN MANAGER

To the Citizens of Carmel:

During 1993, we held three town meetings and a secret ballot vote regarding S.A.D. #23. The annual town meeting was held in two parts with the voting for the municipal officers being held at Golden Harvest Grange Hall, on Saturday, February 27th, prior to the balance of the town meeting on the following Monday evening, when the other articles were voted on. Because the Administration Accounts were not approved as presented, another Special Town Meeting was posted and held on April 26, 1993, to approve those accounts and approve some amendments to the Carmel Zoning Ordinance and the Animal Control Ordinance. Another article authorized the selectmen to be able to spend an amount not to exceed 3/12ths of the budgeted amount in each budget category of the prior years budget during the period from January 1 to the annual town meeting in 1994. The next Special Town Meeting was held on December 20, 1993, to see if the town would remain in the Constable-Deputy program, purchase a police cruiser, and authorize the selectmen to spend an amount not to exceed 17,000.00, from the Town Equipment Fund, for the purchase of the cruiser. Another article had to do with changing the name of the Carmel Zoning Ordinance to be the Carmel Land Use/Zoning Ordinance. All of the above items were approved by the voters. An article to approve an Automobile Graveyard/Junkyard Ordinance was ruled out of order by the Moderator and will be voted on at the annual meeting in 1994. The referendum vote for S.A.D. #23, regarding the purchase of the William McDougall property, in Carmel, and the land for building a new school in Levant, was held at Golden Harvest Grange Hall, on February 18, 1993. Authorization for renewal of the contract with the Town of Hermon, for the schooling of secondary pupils, for another five years, was also approved.

The annual Town Reports were delivered by the Boy Scouts and a donation of \$100.00 was given to their Troop. A big thanks to them and to those involved with helping.

Fees accumulated to the Town from the Municipal Agent and Town Clerk were as follows: Automobiles \$3,290.00; Boat Excise Taxes and Agent Fees \$2,172.20; ATV Agents Fees \$45.00; Snowmobile Agents Fees \$124.00; and Town Clerk Fees \$1,842.50.

Soil Preparation, Inc., of Hermon, (formerly Frost's Disposal), has the contract for our septic sludge. The cost is \$2,000.00 annually.

The contract for rubbish removal is still with Raymond Smith. He transports it to PERC in Orrington. The cost for his services, during 1993, was \$38,109.72. After advertising and receiving bids, Mr. Smith was selected for the new contract, for a three year period.

The bidder selected to do the mowing and trimming of the Recreation Fields was Troy Richardson, of Hermon. The cost was \$4,300.00.

The summer recreation program was planned and supervised by Teresa Bolstridge, of Carmel. More children are getting involved each year. The cost was \$2,000.00 for the six week program.

Funds in the Town Equipment Account when the books closed on December 31st amounted to \$117,965.60, including interest earned. The cost of the police cruiser (up to \$17,000.00) will be withdrawn from this fund. Also, at a Special Town Meeting, February 7, 1994, authority was given to the selectmen to spend up to \$87,000.00 for a new tank truck for the Fire Department. That amount will also be paid from this account.

Carmel Field Day was a huge success again this year. Candy Devlin did a tremendous job of promoting the occasion. The Tim Sample Show, held at the Elementary School on Friday evening, was enjoyed by a capacity crowd. Saturday turned out to be a sunny day so the parade and all the activities at the recreation field were well attended. Candy and her committee members did a fine job and gave \$952.50 to the Town to help defray the cost of future events. The Committee, also, purchased Christmas lights and trimmed an outside tree in front of the Library. Christmas carols were sung during the lighting of the tree and refreshments were enjoyed afterward. Perhaps this will be an annual event!!

The Carmel Horseshoe Club, which usually meets at the Recreation Field site on Wednesday evenings during the summer, gave a donation of \$50.00 toward the Recreation Programs. We appreciate your consideration. Thanks to each of you.

Recycling bins were ordered and distributed in January of 1994. The bins cost \$4,458.00. A grant proposal was written, with the help of Penobscot Regional Planning, but funds were not approved by the State.

Brian McCarthy, of Stetson, is still our code enforcement officer and plumbing inspector. A permit is needed before you begin any construction or repairs. He plans to be available at the Town Office on Monday's from 12:30 to 4:00 p.m. and on Monday evenings from 6:30 to 9:00 p.m.; on Wednesday's from 12:30 to 4:00 p.m.; and on Friday's from 9:00 a.m. to 4:00 p.m.

We wish to extend our thanks to all of the Departments, Boards and Committees who have worked so diligently, and/or voluntarily, throughout the year.

The Town Office is open daily from 9:00 a.m. to 5:00 p.m., Monday through Friday, and on Monday evenings from 7:00 p.m. to 9:00 p.m., unless it is a holiday. The Selectmen meet each Monday evening at 7:30 p.m. If you plan to come in to discuss a particular subject, please call the Town Office by Friday afternoon so that you may be put on the agenda.

Dogs are subject to be licensed as soon as they become six months of age. New licenses are due and available at the Clerk's office on January first of each year. You must have proof of rabies immunization and certificate of sterilization or spaying with yo in order to obtain the dog license. The metal dog tag issued this year must be kept on the dog and you will receive a yearly sticker to place on it (similar to a motor vehicle plate). Isn't that an improvement—or a money saver???!!!

The Clerk's office is open daily, Monday through Friday from 9 a.m. to 5 p.m. and on Monday evenings from 7 to 9 p.m.

Respectfully, submitted

GLENNIS A. McSORLEY, Town Clerk

AMBULANCE SERVICE REPORT

To the Citizens of Carmel

The year of 1993 was a learning experience to us all. Three members upgraded their license level from Basic EMT (Emergency Medical Technician) to EMT-Intermediate, to provide ALS (Advanced Life Support) care.

Intermediate ALS care consists of: Cardiac Monitoring, Advanced Airway Maintenance, and Intravenous Therapy. IV Therapy provided resuscitation of the body, in the event of fluid loss. Examples are: Trauma, Dehydration and situations requiring medications to be administered. When medications are required, by State EMS (Emergency Medical Services) Protocol, a Paramedic qualified in administering medications, under direction of the Emergency Room Physician, must be present to do so. Once the Basic EMT retains the health history, and completes the assessment of the patient, necessity for a paramedic is determined.

The Town of Carmel has a contract with Capital Ambulance Service to provide Paramedic Services.

Our membership currently consists of: Five Basic EMT's, one of which has recently completed 110 hours of training, written and practical testing, approved at the State EMS level. Attending accumulated classroom, emergency room rotations, practical training and testing. Three Intermediate EMT's and 6 Drivers.

Our Service is always in need of new members to become involved in Fund-raising, Driving, Business Related Matters, and Patient Care. Drills are held on first Tuesday, Business Meetings, on third Tuesday of each month.

Please accept our invitation to attend these meetings or drills at 7:00 p.m. at the fire station.

CARMEL VOLUNTEER FIRE DEPARTMENT

To the Citizens of Carmel:

The Carmel Fire Department would like to thank the citizens of Carmel for their support throughout the year. We would like to thank the Auxiliary for all the time spent serving coffee to the firemen at fires and doing fund raisers to help purchase much needed equipment.

If you need a burning permit, you can get one from: the Town Office during business hours; Bill Crowley (chief) 848-3541, Mark Downing (Assistant Chief) 848-5313 or John Luce (Captain) 848-3538.

The Fire Department is always looking for volunteers. If you are interested, our meetings are held on the second and fourth Tuesday of every month. Hope to see you there.

Respectfully submitted,

WILLIAM CROWLEY, Chief

CARMEL FIREMEN'S AUXILIARY

The Carmel Fire Department Auxiliary meets at 6:30 p.m. the second Sunday of each month at the home of Frances Morrill (848-5610) located on Route 2. The Auxiliary welcomes new members and anyone wishing to become a member is invited to join us.

During the past year we conducted our Annual Firemen's Ball and raffle in April, provided refreshments at Town Meeting and an Open House at the Fire Station after the parade on Memorial Day. We participated in the Carmel Days festivities and held a Street Dance at the Fire Station. We also had a hunter's breakfast in November.

We would like to thank the businesses, organizations and individuals who have given to us so generously, your support has enabled the Auxiliary to provide support for our Firefighters.

We are planning our Firemen's Ball which will be held on April 23, 1994 and our Annual Raffle which is held in conjunction with the ball. As always there will be a limit of tickets for the ball.

CONSTABLE'S REPORT

To the Citizens of Carmel:

Due to an order from the Penobscot County Sheriff's office on September 28, 1993, no commissioned deputy sheriff or constable-deputy could continue to use his own personal vehicle for official police duties. This action, basically, put the constable-deputy of Carmel out of service.

At a Special Meeting on December 20, 1993, the town voted to spend an amount up to \$17,000.00, from the Town Equipment Fund, for the purchase of a police cruiser. On January 14, 1994, the town took possession of a 1994 Ford Crown Victoria Interceptor with police package. On February 4, 1994, the cruiser was officially put into service.

Under a written policy with the Town, the constable-deputy of Carmel, will work up to 20 hours per week for the Town.

I wish to thank the citizens of Carmel, the Selectmen, the Town Manager for helping to make all of this possible and thereby to provide a service to the Town.

If you are going away on vacation or for the weekend and would like to have your property checked, please call me at 848-3281, the Town Office at 848-3361, or the Sheriff's Office at 947-4585.

Thanks again for your continued support.

SIMPSON MEMORIAL LIBRARY LIBRARIAN'S REPORT

As I begin this report, I would like to thank the Simpson Memorial Library Board of Trustees for their help and support. 1993 has been a very good year at the Library.

Attendance for the year was 3,164. This was a 24% increase over 1992. Circulation for the year was 4,169 which was an 11% increase over last year.

The Library hosted 2 fund-raisers during 1993. A Craft and Collectibles Fair was held Memorial Day Weekend. The other fund-raiser was the Simpson Memorial Library Annual Pie Sale which was held on Carmel Day. The money raised from

these two events was used in conjunction with Grant money from the Maine Arts Commission to pay for Robin Mello's performance on Carmel Day.

The Library continues to hold pre-school story hours for children ages 2-5. Dates and times for these are posted in the Bangor Daily News Midweek Section.

During July and August, I again held a Summer Reading Program in conjunction with Summer Story Hours. Both of these programs were a huge success. Attendance for these programs was between 10 and 25 children each week. I would again like to thank those who helped with these programs. I couldn't have done it without you.

The Library has a new storm door on the front of the building. We are also in the process of painting the Library exterior. This will continue when warm weather returns. Other improvements to the Library include an electrical outlet which was installed to accommodate the Carmel Community Christmas Tree.

Our main project for 1994 will be to install an Accessibility Ramp to meet ADA requirements. In the near future you will be hearing about fund raisers for this project.

204 new books were added to the Library Collection during 1993. 176 books were discarded. This brings the total volume count to 6,302.

65 new library user cards were issued. The total number of cards is 806.

The Library continues to be open 3 afternoons a week. Hours are as follows: Tuesday 12-5, Wednesday 12-5, Thursday 12-7.

Our meetings are held each month on the last Thursday of the month at 7 p.m. I would like to extend an invitation to residents of Carmel as members of the Simpson Memorial Library Corporation to attend these meetings.

My main objective for 1994 is more community involvement.

Thank you for the privilege of serving the Carmel community in the capacity of Librarian.

Respectfully submitted,

NANCY LUNN, Librarian

ANIMAL CONTROL OFFICER

To the Citizens of Carmel:

During 1993 there were 30 complaints relating to animal control, 20 for dogs, 3 for cats and 2 for cows. One case went to court which ended up with a \$55.00 dollar fine, for allowing a dog to roam at large.

New laws enacted now require you to license your dog in January or pay an extra \$3.00 after January 31st.

Rabies are moving north more slowly now, but will get here sometime. Please get your dog and cat immunized. Both animals are required by law to have the rabies shots. There is a license for dogs but not for cats.

I have attended classes which qualify me as a certified Animal Control Officer.

Take care of your pets so you can enjoy them and they can enjoy you.

Respectfully submitted,

STEVEN L. CYR,
Animal Control Officer

PLANNING BOARD

To the Citizens of Carmel:

1993 was a busy year. The Planning Board approved one new subdivision, two minor changes in existing plans, two requests for lesser road frontage to access back land, and one in Shoreland Zoning.

We held four public hearings. One on a subdivision, and one on the proposed Automobile Graveyard/Junkyard Ordinance.

Three workshop meetings were held and a special board meeting to accommodate a developer.

In order to keep current on new laws we also attended two PVCOG workshops.

The Planning Board meets at 7:00 p.m. the first Monday of each month. You are welcome to attend.

Respectfully submitted,

JANICE NOYES, Chairman

BOARD OF APPEALS

To the Citizens of Carmel:

During 1993 the Board of Appeals acted upon only two (2) applications. Both were found in favor of the applicants.

This board meets only on an as needed basis and all citizens are encouraged to attend meetings. Meetings are advertised in the local paper and posted in public places within town.

Current board members and term expiration dates are:

Barbara Baeslack, Secretary	1995
Fred Kircheis, Chairman	1994
Charles Nute	1995
Joseph Pelletier, Alternate	1994

CARMEL SENIOR CITIZENS CLUB

Our meetings are held the first and third Wednesday at the Carmel Snowmobile Club house, with lunch at noon.

Officers for 1993 were: President, Viola Harvey; Vice-President, Lois Washburn; Secretary, Arlene Newey; Correspondent Secretary, Mary Babcock; Leona Staples has served as Chaplain and the Entertainment Committee was Erma Underhill, Arlene Nadeau, Evelyn Stevens and Jennie Sylvester.

Many of our members have been in the hospital and we lost one of our very loyal members Pearl Bailey also Elsie Smith.

We've been out to eat at Countryside Restaurant in East Corinth, Hampden Historical Society, Frances Morrill's camp for a picnic, Hawaiian Paradise in Newport, and we went on a Fall Foliage Trip. We also held a "food less food" sale in the spring.

October 28th we were invited to Carmel Elementary School for lunch by the school children it was enjoyed by all and on December 15th the children came from Carmel Elementary School and entertained us with a Christmas play and sang songs. Then we had our annual Christmas party with exchange of gifts. A ham dinner was served.

The Thanksgiving basket was won by Debbie Nickerson of Newburgh.

We are planning a membership dinner in January in hopes that more of the Carmel Senior Citizens will come and join us. As usual we have sent fruit baskets for members who have been in the hospital also cards for Birthdays and Get Well Messages have been sent.

We wish to thank the citizens of Carmel at Town Meeting for their support, the school, and the Town Manager for all they have done for us. We hope to have many more Seniors come and join in with us.

Respectfully submitted,

ARLENE NEWAY, Secretary

CARMEL RECREATION COMMITTEE

This year, Recreation in the Town of Carmel has been very successful. We have seen growth in every program. Our Recreation Field Complex had a Pioneer Swing Set added in May. Many thanks to Harold Carter and to the Co-ed Volleyball group for donating another swing set for the 1994 season. In July we added the Pavilion. The following people contributed their skills and time to the community, and completed two-thirds of this project: David & Kain Burgoyne, Alan Ashley, Andrew Deraspe, Harold Carter, Lou Graves, Bob Rice, David Richardson, John Luce, Bill Crowley, William McDougall, Billy McDougall, John Clark, Marvin Graves, Gilles Doyon, Bryan Roy, John DeLuck, Brent Johnson, Dan Durant, George Smith and Dan Pelletier. The Pavilion was enjoyed by all at the Carmel Day celebration.

The growth of our Summer Recreation Program is up to 128 youths. Our field trips required two buses. We added three TDC youth counselors. This years program added Gymnastics, Flagg Football, and a Float for Carmel Day. The clinic for Soccer, Flagg Football, and Basketball went very well.

The Baseball League has grown to 156 players; 11 teams playing six days a week. 1 Babe Ruth, 2 Little League Softball, 2 Little League Baseball, 2 Farm League Softball, 2 Farm League Baseball, and 2 Tee-Ball Teams.

Carmel Youth Soccer League formed in 1993 with 5 teams having 62 youths playing a 7 week program with 6 games being played. It involved grades K thru 6.

District #23 Pee Wee Basketball had 110 youths playing. 8 teams played 132 hours, 62 games were played. Our teams competed with others from Hermon, Etna, Dixmont, Newburgh, Exeter, Dexter, Winterport, Glenburn, East Corinth, Orono, Old Town and Milo.

A SPECIAL THANKS to those people who help with the recreational activities during Spring, Summer, Fall and Winter. It provides a much needed outlet for the Carmel Youth and Adults, as well. Many of these programs are directed by VOLUNTEERS in the community who work diligently and ask little in return.

The Recreation Committee expresses their appreciation to all volunteers who work with the Carmel Baseball Leagues, Summer Recreation Program, Carmel Days, Basketball Clinic, Soccer Clinic, Youth Soccer, the YABA Bumper Bowling, Caravel Softball, Baseball, Basketball and Soccer Teams, Pee Wee Basketball, and Co-ed Volleyball. You do a great service for your community.

SANITATION/WATER QUALITY COMMITTEE

To the Citizens of Carmel:

During the past year, 1993, the Committee has made considerable progress in addressing the sanitation needs of the village area.

Woodard and Curran has done a feasibility study of 26 village area lots that are malfunctioning or substandard. The study defines treatment alternatives believed to be best suited for Carmel.

The Committee is seeking grants and other sources of revenue from state and federal agencies.

Funding for the system will not involve any taxpayer not included in the system.

CIVIL DEFENSE

To the Citizens of Carmel:

I do not have very much to report this year. More books, relating to disasters, were given out to some of the schools where I did not have enough last year. I have ordered 500 more books, of a different nature—something that the children have not seen. The books were ordered late last year, but knowing how the government works, we hope to have them for next year!

The Civil Emergency Fund was depleted last year, due to the severe storm that we had during the month of March. It would be nice to have a little larger amount of funds available in case of another emergency at any time.

Respectfully submitted,

CHARLES TIBBETTS,
Civil Defense Director

BUILDING INSPECTOR'S REPORT

23 Hook-up Permits
76 Total Permits Issued.

Total fees collected amounted to \$2,995.00.

Respectfully submitted,

BRIAN J. McCARTHY

REPORT OF THE ROAD COMMISSIONER

To the Citizens of Carmel:

In 1993, the roadwork was put out for bid proposals from the local in Town contractors, the same as was done last year. The Selectmen awarded the jobs to the lowest bidder.

The first bids requested was to bank the right hand shoulder of the bend in the road, on the Murray Road, at the point where the old road had been cut off by the Interstate. The ditch line was cleared and extended, on the southerly side of the road, to take care of the flow of water. Robert Noyes and Dale Leavitt was the only bidder and the job was awarded to them.

Two bids were received to put an additional 200 yards of gravel on the Haskell Road, from the Parker's driveway, westerly, toward the bridge, to reduce the incline of the hill. The lowest bidder was Donald Hewes and the work was given to him.

The Marcho Road or South County Road, (someone named it Granny's Road), had the shoulders cut off and the ditches cleared, on both sides, from the Cook Road to the Etna town line. Earle McSorley was the lowest bidder, from the two bids received, and he and his crew did the work.

The McSorley crew also was the lowest bidder, (two bids received), to cut off the shoulders and clear the ditches on the Dyer Road, from the bend in the road to the Terry Armstrong property. A new cross-culvert was installed near the Danny Ray property. Later in the year two bids were received to place 12"-15" of gravel on the same area of the Dyer Road. Again, the McSorley crew was the lowest bidder and was awarded the job.

Donald Hewes was the only person to bid the Garland Road, to cut the shoulders, clear the ditches, and install a 30"x30' cross-culvert, on the end nearest the Bemis Road.

Several dooryard culverts were either reset or replaced, and cross-culverts were replaced, on the Bemis Road, from the Garland Road to the Levant town line. This was done by Donald Hewes and crew, the only bidder. In September, the Hewes crew as the lowest bidder of two, to place 12"-15" of gravel surface on to the same area of the Bemis Road (from Garland Road to the Levant town line).

In November, Donald Hewes and crew, received the bid to place 12"-15" of gravel on the Garland Road, from Oakes driveway, easterly, to the Bemis Road, and to place 6"-8" of gravel, westerly, from Oakes driveway to the Horseback Road. This work was done mainly because the Horseback Road had been closed, by the Selectmen, from Garland Road to the Fuller Road, and most of the traffic was traveling across the Garland Road. P. B. Newcomb Construction Corp., of Carmel, was hired to install guardrail on both sides of the Garland Road Bridge, to insure the safety of the increased traffic flow.

Closing of the Horseback Road, due to an engineering study which the Town requested, concerning three of the gravel pits, was not readily accepted by everyone. At first the barricades were moved--and the traffic continued, then they were knocked over and broken and had to be replaced or repaired several times. The Detour signs were taken and new ones had to be purchased and installed, two or three times. Much expense was incurred with the signs. Everyone is hoping to have the road opened to traffic soon. However, if court action is pursued, it may take somewhat longer.

Dale Leavitt submitted the only bid to extend the roadway around the Sand Shed, and install rip-rap and place drainage culverts across the road. This was done to make it easier for the sand trucks to get to the sand shed. Later, Dale was given the balance of the old sand pile in exchange for grading and seeding the area around where it had been.

No hot top or chip seal was put on any of the roads this year as it was too late in the season when the road work was completed, and to have a company move in to do just a small portion of a road, did not seem to be cost effective.

The low bidder to mow roadsides was Ronald Perkins, of Winterport. He mowed them once in June and again in September.

Robert Shaw is contracting the snow removal and sanding, but he has asked that we put it out for bid again as soon as this winter season is over. His contract has been renewed each year, because he did not ask for an increase in the rate per mile. He has done a good job of plowing and sanding in the years that he has held the contract.

There were four bids received to stockpile 3,500 yards of sand in the sand shed. The low bidder was Leon A. Rancourt & Son, of Winterport, and he was awarded the job.

Grader work is still under contract to Earle McSorley. Calcium chloride was applied by the McSorley crew. Patching roads was done by Jody Stubbs, Jeff Lawler, and Bud Neddeau. All of our road signs have been installed and/or replaced by Mr. Neddeau.

We anticipate that we will receive the same amount as last year from the State Local Road Assistance Program (\$40,000.00), and propose to spend most of it for Town Road Tar.

With all of the snow and cold weather we are having this winter, it is hard to guess what spring will bring. Hopefully, not too much rain!!!

As in other years, thanks to each of you who has worked on town roads throughout the year.

Personally, I would like to thank those of you who take the extra time and pride in mowing the roadsides near your homes, when you mow your lawn. It is very noticeable and makes our Town look that much nicer. Thanks again.

Respectfully submitted,

GLENNIS A. MCSORLEY,
Road Commissioner

Independent Auditors' Report

Board of Selectmen
Town of Carmel
Carmel, Maine

We have audited the general purpose financial statements of the Town of Carmel as of and for the year ended December 31, 1993 and have issued our report on them dated January 28, 1994. Our report was qualified only to the extent that accounts for general fixed assets of the town are not maintained. We have recommended that the town not incur the additional cost to establish and maintain such accounts.

The accompanying Exhibits A, B and D, and Schedules 1 and 2 are excerpts from those financial statements and are presented in order for the town report to comply with state law. Since these are excerpts only they are not intended to completely and fairly present the financial position and results of operations of the Town of Carmel in conformity with generally accepted accounting principles. Therefore, we can express no opinion on these excerpts as presented.
